UNITED WORLD COLLEGE OF SOUTH EAST ASIA

SINGAPORE

UWCSEA is a 4-18 school of 5,400 students of over eighty nationalities, based on 2 campuses in Singapore.

**Required for August 1st 2015:**

In partnership with the Swiss School in Singapore, UWCSEA is seeking a Swiss-qualified teacher of German (mother tongue), French (foreign language) and general subjects to the 12-15 age range. The Swiss Programme teacher is employed by UWCSEA at its Dover Campus to meet the needs of Swiss students who transfer at age 11 to the College from the Swiss School in Singapore.

As the College is an English-medium institution, a very good level of spoken and written communication in English is required for this post.

Teachers at all levels of the school are expected to lead activities based upon one of their own enthusiasms and to be involved, alongside students, in regular service activities. The school derives much of its distinctive character from the broad level of commitment offered by its teachers and its pursuit of the mission statement of the United World College movement which encourages service and a sensitivity to political, environmental and cultural issues.

Terms and conditions are generous and include a service gratuity. Contracts are for 2 years.

Further details of the opportunity and the application process are available on the College’s website at [www.uwcsea.edu.sg/jobs](http://www.uwcsea.edu.sg/jobs)

The closing date for the receipt of applications is **February 28th 2015**. Initial interviews will take place by Skype in early March 2015.
