Welcome, Herzlich Willkommen, Bienvenue, Benvenuto, Benvinguts, 欢迎光临！

The Association Swiss School Beijing (Trägerverein Schweizer Schule in Beijing) and Western Academy Beijing (WAB) are proud to announce the opening of the Swiss School Beijing in August 2017.

The Swiss School Beijing will operate as a section of WAB. It will offer an education that is based on the Swiss curriculum and is delivered in a truly multicultural environment. Initially, the language of instruction will be predominantly German, with French being introduced in a second phase.

We welcome children of Swiss and other nationalities interested in a German-language education within an international community. The school will begin with offering classes at Kindergarten and Primary 1&2 level and will subsequently roll out a new class each year.

The Swiss School Beijing is recognised by the Swiss government and gets the support of the Canton of Zurich, its "Patronatskanton".
